

## Project Overview

As of August 16, 2011

Current conditions at Hilliard-Rome Road  
& Westchester Woods Blvd.

## Hilliard-Rome Road – Westchester Woods Boulevard to Roberts Road

**Description and Benefits:** Project consists of widening and reconstruction of Hilliard-Rome Road from Westchester Wood Blvd. to south of Roberts Road. Project length is approximately 1.19 miles, and includes adding three lanes, sidewalks, bike lane, *Americans with Disabilities Act*-compliant curb ramps, tree lawn and utility relocation. The project will provide a safer pedestrian, vehicular and bicycle corridor. Traffic in each direction will be maintained at all times during construction.

**Schedule:** Construction to be completed by autumn 2012.

**Status:** Construction in progress. Traffic is maintained in each direction. Left turns are restricted through the project limits.

### Costs:

|   |              |
|---|--------------|
| Design, right-of-way acquisition and utility relocation | \$ 5,900,000 |
| Construction  | \$ 8,523,605 |
